An effective method for figuring out a value is to send out a survey to your present customers. If these customers have already bought an book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the brand new guide, however do not embody a price on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with completely different prices on each page. Be certain that your sales copy is precisely the similar on each web page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum price is.

In the end, for those who've written a ebook that solves a problem or presents a brand new technique, your guide will usher in both site visitors and profits. So be sure you write that selling-deal with sentence that sums up what downside your guide solves and what the advantages of your 31 e-book can be to the purchasers who purchase it.
