piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

An effective technique for determining a worth is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the brand new ebook, but do not embody a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with different costs on each page. Make sure that your gross sales copy is exactly the similar on every page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum worth is.

In the end, if you've written a e book that solves a downside or presents a brand new technique, your e-book will herald both visitors and profits. So be sure you write that selling-handle sentence that sums up what problem your book solves and what the benefits of your 319 book can be to the customers who buy it. And then watch your market come to you!
