Do this by making a gross sales web page for the new e book, but do not embody a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Be certain your sales copy is strictly the identical on every web

page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum worth is.

Finally, if you've written a ebook that solves a problem or presents a new approach, your ebook will bring in each visitors and profits.
