price. Do that by making a gross sales page for the new e-book, but don't embody a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on each page. Ensure your gross sales copy is strictly the same on every page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.
