If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new book, however do not include a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is exactly the same on each

page, and consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum value is.

In the end, if you happen to've written a e-book that solves a problem or presents a brand new approach, your e book will herald both site visitors and profits.
