An effective method for figuring out a value is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new guide, however don't embody a value on that page.

As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Make certain your gross sales copy is strictly the similar on every web page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum worth is.
