price. Do that by creating a sales page for the new guide, however don't embrace a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on each page. Be certain your sales copy is exactly the similar on each page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This can inform you what your optimum worth is.

Ultimately, in case you've written a ebook that solves a downside or presents a brand new method, your guide will bring in each site visitors and profits.
