Do that by creating a sales web page for the new e-book, however do not embrace a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on every page. Make sure your gross sales copy is strictly the similar on

every page, and includes your selling-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, if you happen to've written a e book that solves a problem or presents a new technique, your book will bring in both traffic and profits. So be sure you write that selling-deal with sentence that sums up what downside your book solves and what the benefits of your 583 guide will likely be to the shoppers who buy it.
