An efficient method for figuring out a price is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do this by making a gross sales page for the brand new ebook, however don't embody a value on that page. Ensure that your sales copy is precisely the similar on every web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum worth is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a new method, your e-book will usher in both site visitors and profits.
