Do that by making a gross sales page for the new guide, however do not embrace a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is exactly the same on every web page,

and contains your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.

Finally, in case you've written a e-book that solves a drawback or presents a brand new approach, your e book will usher in each visitors and profits.
