One other technique is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is strictly the same

on each page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, for those who've written a e book that solves a downside or presents a brand new approach, your book will bring in both site visitors and profits.
