Advertising Strategies

An effective approach for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an e book from you, ask for their opinion in terms of price. Do that by creating a sales web page for the brand new e-book, however do not include a price on that page. Ensure your sales copy is exactly the identical on each web page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum price is.

In the end, when you've written a book that solves a problem or presents a new method, your e-book will usher in each site visitors and profits.
