An efficient approach for determining a worth is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for his or her opinion by way of price. Do

that by creating a sales page for the new guide, but do not include a worth on that page. Instead, add plenty of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Make sure that your gross sales copy is precisely the same on each web page, and contains your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum worth is.

Ultimately, should you've written a ebook that solves a downside or presents a brand new method, your e-book will bring in both site visitors and profits.
