If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new e-book, however don't embrace a price on that page. One other technique is to test out prices by making a variety of duplicate sales pages with different costs on each page. Ensure your sales copy is exactly the identical on each web page, and

consists of your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This can let you know what your optimum worth is.

In the end, when you've written a e-book that solves a drawback or presents a new approach, your ebook will herald each traffic and profits.
