An efficient approach for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new book, however don't include a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on each page. Make certain your sales copy is strictly the identical on

each web page, and includes your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum price is.

Ultimately, if you've written a ebook that solves a drawback or presents a brand new technique, your ebook will usher in each traffic and profits.
